Dubai: Heriot Watt University and Middlesex University were honours even at the end of the 'Super Four' inter-university sports festival that concluded over the weekend.

Middlesex University claimed the top honours in the men's basketball - and track and field in the men's and women's categories - while Heriot Watt University clinched the men's and women's football titles, women's basketball and the two crowns on offer in volleyball.

The 'Super Four' inter-university tournament brought together four leading universities in the UAE, namely **Amity University**, Heriot Watt University, Manipal University and hosts Middlesex University Dubai.

Middlesex University's basketball coach Slavko Micanovic remarked: "This was a wonderful platform for our youngsters to perform and showcase their skills, while also driving home the bigger life lessons of fitness and keeping healthy."

Sasa Obradovic, track and field coach at Middlesex University, was pleased with the performance of both the men's and women's teams. "We have been running a campaign for health and fitness lifestyle and this event fitted well with this initiative," she said.
