Amity University Dubai - Together we will change the world.

Based in Dubai International Academic City, Amity University Dubai is spread over a 700,000 sq. ft. area with world-class facilities. Amity University Dubai offers Under Graduate, Post Graduate, PhD and blended learning programs in line with the national agenda of the UAE.

The programs at Amity University Dubai range from innovative programs such as Mechatronics, Data Science, Machine Learning, Aerospace Engineering, Animation and Forensic Science to traditional courses like Business, Law, Fashion Design, Journalism and Mass Communication, Mechanical Engineering and Applied Psychology.

At Amity University Dubai, we focus on bringing about change, empowering communities and making the world a better place. Through immersion in real-world projects, group interactions and networking opportunities, students of Amity reach their full learning potential over the course of their program. Whether it is through mock trials in a moot court, creating a collection for a fashion show, building a solar powered house or working on a Satellite Ground Station, new programs and projects are constantly introduced to ensure that students are ready to take on the corporate world.

The University's full time and part-time programs are designed to develop professional skills, practical understanding and theoretical knowledge in a variety of area. Preparing students for the future of the industries, teaching them to adapt to the new environments and evolving global practices. The University campus is designed to inspire students to become the future innovators. Through internships and research, students get the opportunity to understand more about the inner workings of organization and gain knowledge about different fields.

مفوضية الاعتماد الأكاديمي
Commission for Academic Accreditation

UAE Ministry of Education and CAA - Amity University Dubai has been granted an institutional licensure from UAE’s Ministry of Education through the Commission for Academic Accreditation (CAA). The Commission for Academic Accreditation (CAA) is the UAE Federal Government Quality Assurance Agency for Higher Education.

The Association to Advance Collegiate Schools of Business (AACSB) - Amity University Dubai is a member of The Association to Advance Collegiate Schools of Business (AACSB) Business Education Alliance. The AACSB provides an international seal of approval for business programmes that ensures the educational needs of students are met through high quality, continuous improvement and excellence in education.

WASC Senior College and University Commission - WASC is a regional accrediting agency that serves a diverse membership of both public and private higher institutions throughout Hawaii, the Pacific, California and a few institutions outside of the United States. Amity University Dubai was the first private university in the UAE to receive an accreditation from WASC.

Quality Assurance Agency - The Quality Assurance Agency (QAA) safeguard standards and improves the quality of UK higher education wherever it is delivered around the world. They check that students working towards a UK qualification get the higher education they are entitled to expect. Amity University Dubai was the first university to be successfully reviewed in the UAE.

International Assembly for Collegiate Business Education (IACBE) for all Management Programmes.

Amity University Dubai is a Corporate Partner Member with the Royal Aeronautical Society, UK.

IET accreditation for our Computer Science, Telecommunication, and Aerospace programmes.

Business degrees are accredited to 5 different professional qualifications – ACCA, CMA, CIMA, SAS, and CILT – from UK and USA.

Amity University Dubai is the only CAA-accredited university in the UAE offering a Chartered Institute of Logistics & Transport (CILT) Level 4 Advanced Diploma to MBA and EMBA students
