BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING

Duration - 4 years*	Credit Hours - 139	Internships	Scholarships and bursaries available**

The Bachelor of Science in Electrical Engineering (BS Electrical Engineering) degree at Amity University Dubai helps students gain a solid grasp of fundamental principles and learn to apply this knowledge effectively, whether as independent thinkers or collaborative leaders in diverse teams. This degree opens doors to a world where students can shape power generations, distribution systems, facilitate telecommunication, and drive innovation in electronic devices.

Students can opt for a general Electrical Engineering degree or with a concentration in Solar Energy.

*Opt to fast track degree by taking courses during the summer
**Scholarships are based on merit

POTENTIAL CAREER PATHS

Automation Engineer	Power Plant Maintenance Engineer
Robotics Engineer	Instrumentation Engineer
Telecommunication Engineer	Quality Engineer
Renewable Energy Engineer	Project Engineer
Oil and Gas Engineer	

WHY AMITY?

- MOE licensed institution
- CAA accredited degrees
- Innovative learning and research environment
- PhD qualified faculty

- Diverse range of courses
- Strong industry connect
- World-class campus
- Placement and career support
