FOUNDATION PROGRAMME

Duration - 1 year

Credit Hours - 36

Intake - June, September and January

Scholarships and bursaries available*

The Foundation Programme acts as a bridge between students' current qualifications and admissions requirements for a bachelor's programme. It will also help students familiarise themselves with the university environment and strengthen their knowledge in English, Maths, IT, Computer Science, Biology, Business, and Humanities & Arts to make a transition to a university undergraduate programme.

Students who have studied in a country with fewer than 12 years of school and have not taken A-levels or the International Baccalaureate Diploma may need to complete a foundation course before enrolling for a university degree.

*Scholarships are based on merit

NEXT STEPS

After completing the Foundation Programme, students can begin their undergraduate programmes related to their chosen field. They can join any of Amity University Dubai's CAA accredited bachelor's degree programmes once the admission requirements are met.

WHY AMITY?

- ▶ MOE licensed institution
- ▶ CAA accredited degrees
- ▶ Innovative learning and research environment
- ▶ PhD qualified faculty

- ▶ Diverse range of courses
- ▶ Strong industry connect
- ▶ World-class campus
- ▶ Placement and career support
